Hook:

Loving you is cool,
But getting money is the only thing that's on my mind
I don't know what to do, but hustle
I've been living on the street if I'm not on my grind!
I'm doing the best I can, I need you to understand
To be on my side!
It's a hell of a sacrifice, I'm chasing this cash for life
It's a long, long ride!

It's a long ride, a lot of lonely nights
Might be a lot of fuckers, for I finally get it right
G, I hope I'm worth it, cause G, you ain't perfect
All them Gucci and Louis purses, I hope you deserve
this!
Stay down, only weak bitches lay down
We can't afford to just walk away from this pay now
I'm shipping shit through... taking that kind of
chance
To be locked up, but you rocked up living in many
mansions!
All... gotta get it if it's good
Niggas who get... end up back in the hood
If I lost it all, I probably lose you
So if it's paper on the table, I can chose you!

Oh, if my pockets on flat, I can't enjoy you, baby
Doing anything without running to me, it's just
annoying, baby!
I know you love looking at that satellite TV
Them other niggas shit off, you'll have to look at them

DVDs

If you ain't trying to hold your hand and take a walk in
the park

I really get my hustle on, so we don't have to talk in
the dark

And fuck a... I ain't give up my... like that

I'll be got damn if I... the recession, pin me like that

If I go to jail is bail money

It's your red bottom, it's Channel money

Plus the mortgage, fuck more deal money

You smell good, but our brother smell money!

... it's a football field, and I swear I'mma run in back

So sick to... for me to come back with that money,

babe!

It's a long, long ride!

Uh, I don't wanna be just news, baby

I wanna be the hot topic

He laughed the everyday of my life, but the hell is a
hot...

Catch your case is all good, I had to... now I got to
drop it

Come home, keep fucking you until you say,

"Z-Ro, you got to stop it!"

When I'm done I'm back, I'm back, I'm back on
my grind

Like... I got racks on racks on racks right back on my
mind

You're living lavish, you love that shit

Cause you was broke before, you broke that dick

So I hope you learned how to love that brick

Cause without that bitch we wouldn't be shit!

Shit, without these..., you wouldn't be shit, no real
bottoms

Bring it to your friend about how you got them

... every time I spot 'em

Taking trips, first class flight

It's getting hard, but I love my life

I'mma make sure my money right

Grind all day and I grind all night

Like drive around in... and vacate when it's boring

...like I'm tourist, sipping on drink, do you see me

sorry?
I sleep good, since Iâ€™m out the hood
I eat good in these streets, streets
So Iâ€™m gonna get this paper, Iâ€™ll be back next week!
Bye!
