[Chorus:]

My bitch been down when I wasn't shit
She keep it 100 don't switch
Cause that's my bitch
Gave me a safe place for the bricks
Even help hit a couple licks
So she still my bitch
Gotta help a nigga get rich
Get pop she ain't never gone snitch
Yeah that's my bitch
Go hard she ain't never gone quit naw
She as real as a bitch get
Cause that's my bitch.

[Verse 1:]

I got a down bitch I can ride around wit
From the hood I can smoke me a pound wit
Keep it G she ain't wit all that bullshit
But got her own money far from a groupie bitch
She a dime all around players want to save her
They tell her thugga ain't gon' love you.
Fuckin' haters!
She still by my side she say she can't stand lames
She say her pussy ain't for sell you can keep the
change
As far as I can tell it's a keeper man
Ain't tryin' to argue wit you baby let you do you
Got me trippin' like it's too good to be true.

[Chorus:]

My bitch been down when I wasn't shit
She keep it 100 don't switch
Cause that's my bitch
Gave me a safe place for the bricks
Even help hit a couple licks
So she still my bitch
Gotta help a nigga get rich
Get pop she ain't never gone snitch
Yeah that's my bitch
Go hard she ain't never gone quit naw
She as real as a bitch get
Cause that's my bitch.

[Verse 2:]

Been my #1 fan before I got a deal
Got a job still keep me wit a hot meal
Baddest bitch I ever met, you gotta see her
Fine as red wine & pretty as Aaliyah
All the hoes hatin' on her cause they want to be her
Can tell I got love for her day seein' how I treat her
She say she down to ride for & I believe her
I'm gettin' lovesick I think I got a fever
Never thought I'd see the day when I fall in love
Got plenty bats but she the only one I'm thinkin' of
Keep my blunt rolled, clothes ironed for the club
She a down ass bitch for real cause...

[Chorus:]

My bitch been down when I wasn't shit
She keep it 100 don't switch
Cause that's my bitch
Gave me a safe place for the bricks
Even help hit a couple licks
So she still my bitch
Gotta help a nigga get rich
Get pop she ain't never gone snitch
Yeah that's my bitch
Go hard she ain't never gone quit naw
She as real as a bitch get
Cause that's my bitch.

[Verse 3:]

I don't even make it to the cell
I'm in process she already makin' bell
Always on time shit it never fells
She right behind a nigga cleanin' up my trail
Through all my day to day shit it's hard to live without
her
A nigga be lookin' lost whenever I ain't got her
And them girls better watch what they say
Tryin' to start shit cause my bitch don't play
She'll scratch never runnin' from a match
Bitch get to talkin' reckless she'll put her on her back
On top of that she stay ready to get it
At any givin' minute I can hit it
Cause that's my bitch...

Been down when I wasn't shit
She keep it 100 don't switch
Cause that's my bitch
Gave me a safe place for the bricks
Even help hit a couple licks
So she still my bitch

Gotta help a nigga get rich
Get pop she ain't never gone snitch
Yeah that's my bitch
Go hard she ain't never gone quit naw
She as real as a bitch get
Cause that's my bitch.
