My bitch been down when I wasn't shit
She keep it hundred, don't switch
'Cause that's my bitch, gave me a safe place for the
bricks
Even help me hit a few licks

She's still my bitch, gotta help a nigga get rich
Get popped, she ain't never gone snitch
Yeah, that's my bitch, go hard, she ain't never gonna
quit now
She as real as a bitch get 'cause that's my bitch

I got a down bitch I can ride around with
From the hood I can smoke me a pound with
Keep it G, she ain't with all that bullshit
But got her own money far from a groupie bitch

She a dime, all round players want to save her
They tell her thugga ain't gonna love ya, fuckin' haters
She still by my side, she say she can't stand lames
[Incomprehensible]

She say her pussy ain't for sell, you can keep the
change
As far as I can tell it's a keeper man
Ain't tryna argue with you baby, let you do you
Got me trippin' like it's too good to be true

My bitch been down when I wasn't shit
She keep it hundred, don't switch
'Cause that's my bitch, gave me a safe place for the
bricks
Even help me hit a few licks

She's still my bitch, gotta help a nigga get rich
Get popped, she ain't never gone snitch
Yeah, that's my bitch, go hard, she ain't never gonna
quit now
She as real as a bitch get 'cause that's my bitch

Been my number one fan before I got a deal
Got a job, still keep me with a hot meal

Baddest bitch I ever met, you gotta see her
Fine as red wine and pretty as Aliyah

All the hoes hatin' on her 'cause they want to be her
Can tell I got love for her, they see how I treat her
She say she down to ride for and I believe her
I'm gettin' love, shit I think I got a fever

Never thought I'd see the day when I fall in love
Got plenty but she the only one I'm thinkin' of
Keep my blunt rolled, clothes ironed for the club
She's a down ass bitch for real 'cause

My bitch been down when I wasn't shit
She keep it hundred, don't switch
'Cause that's my bitch, gave me a safe place for the
bricks
Even help me hit a few licks

She's still my bitch, gotta help a nigga get rich
Get popped, she ain't never gone snitch
Yeah, that's my bitch, go hard, she ain't never gonna
quit now
She as real as a bitch get 'cause that's my bitch

I go to jail, I don't even make it to the cell
I'm in process, she already makin' bell
Always on time, shit it never fells
She right behind a nigga cleanin' up my trail

Through all my day to day shit it's hard to live without
her
A nigga be lookin' lost whenever I ain't got her
And them girls better watch what they say
Tryna start shit 'cause my bitch don't play

She'll scratch, never running from a match
Bitch get to talkin' reckless she'll put her on her back
On top of that she stay ready to get it
At any givin' minute I can hit it

'Cause that's my bitch, been down when I wasn't shit
She keep it hundred, don't switch
'Cause that's my bitch, gave me a safe place for the
bricks
Even help me hit a few licks

She's still my bitch, gotta help a nigga get rich
Get popped, she ain't never gone snitch
Yeah, that's my bitch, go hard, she ain't never gonna
quit now

She as real as a bitch get 'cause that's my bitch
