[Intro]

Slim Thugga. Boss of all bosses.

See im the slimmest thug, white tee wife beater, and
always keep that thang on hang.
Keep the stash in my heater, next drug dealer.
Don't take shit from no man.

So please don't do that,
(cuz i will snap on yo ass)
Please don't do that,
(cuz i will snap on yo ass)
So please don't do that,
(cuz i will snap on yo ass)
Please don't do that,

They say money bring you problems so i got a ton.
And success bring you envy so i got a gun.
I ain't never ran fast cuz i ain't never gotta run.
If i had to put in work, that shit i got it done.
I say to myself, "Never look for trouble G, but keep the
glock cocked jus in case it find me."
A lotta haters wanna see me in the casket cuz i stay
fresh like im wrapped in plastic.
That's why i got that nine on my waistline.
And letem get to trip, and imma letem hear the
bassline.
Shit, it's either me or them, and there's too many
people out here dependin on Slim.
See im the slimmest thug, white tee wife beater, and
always keep that thang on hang.
Keep the stash in my heater, next drug dealer.
Don't take shit from no man.

So please don't do that,
(cuz i will snap on yo ass)
Please don't do that,
(cuz i will snap on yo ass)
So please don't do that,
(cuz i will snap on yo ass)
