Don't call it a comeback, 'cause I been here for years
Wreckin' my peers, through the blood, sweat and tears
Here it is, Thugga back at it like a addict
No matter the price, give it here I gotta have it

When I step up out my house, everyday I gotta show off
Clean than a bitch with the price tag tow off
Everythang new, straight up out the mall
From my pants, to my shirt, to my shoes, to my draws

I show ya how to ball, take notes and keep looking
Stay tuned to the show and see what Thugga got
cooking
Money back guaranteed, everyday I'm a go off
I'm rich than a bitch, shit I might as well show off

In the streets

The rose was the blessing so I pull that out the Sunday
The Benz the work card, so I pull that on Monday

And I pull out my slab, when I shut down the streets

Big hundred carrot badge, I'm the captain of the
