Chorus: B.o.B.

She likes it real slow (slow)
Then we speed it up like oh (oh)
Baby turn around like so (so)
Now we got it just right
Something that we both like
Baby we can go so high (So high)

Higher than you've ever been (high)
Higher than you've ever been (high)
Now we got it just right
Something that we both like
Baby we can go so high

Slim Thug: Verse 1

So high, thugga make her head touch the sky
It's so good, she look like she about to cry
Opposite of dry, baby stay soakin wet,
It's the best, this is bout as good as it get
She rubbing on my chest, I'm kissing on her neck
We going long, going strong, body full of sweat
And like a sac of strong, thugga got her mind blown
Every time she come home, she tryna climb on
Addicted to this, she stay tryna get a hit
Day time, we make time just to get it quick
I tell her meet me here, like I'm bout to hit a lick
Bring her over, and let her get a quick fix

Now it's three

We goin where you never been so sit your ass down

I aim to please
So believe I leave you satisfied
A lifetime warranty whenever you ride
I say that with pride
And I honor that
It's guaranteed good service
You'll be coming back
Huhhh... Just like the drug, girl you need thug
Got you in love, thugga make her heart speed up
Roll the weed up, it's time for thug passion
Now, put your feet up, and I'ma keep smashin
Keep lasting till you're higher then ya ever been
I take your mind and body places it ain't never been
