Ft. Bun B & Paul Wall

Red, white, coop, fight
Red, white, coop, let's go
Red, white, coop, fight
Red, white, coop, fight
Red, white, coop, let's go

Touch down H town, yeah it's time to celebrate
... never loosing, something like the...
It's my city chip up for me, the pretty girls adore me
Used to overlook me, now it's hard to ignore me
My team stay winning from beginning to the ending
Me and now wow the perfect match like...
... eyes is my denim... and we gonna quite fight till we
keep singing victory
All my cougars ride for me, and I'ma ride for y'all
And we gonna win some trophies
Cause we know how to ball
Bring whoever we won't fall, we'll wreck them all
And when it's over guess who's still gonna be standing
tall

Red, white, coop, fight
Red, white, coop, let's go
Red, white, coop, fight
Red, white, coop, fight
Red, white, coop, let's go

It's big butt beater, I'm the og, you know me

Most times I'm staying low key, but today I'm bout to od
Cause this one for the cougars yeah so you already
know we
Gonna spell it out... yes, yes, the university of Houston
up in your face
Get that... get up the young case
You gonna see the cougars in first place...
Can you put that on...
Got ground game, got air game, got defence, not fair
mane

... cause when you diss the cougars, man you dissing
Houston Texas, hold up

Red, white, coop, fight
Red, white, coop, let's go
Red, white, coop, fight
Red, white, coop, fight
Red, white, coop, let's go

All hail the red and white, got a...
Them haters up in my sight, but I never run, not quite
Just ask around that's right, we really not that type
We really... from a fight...
Somewhere... posted up in front of the...
Big face paper is what I stack... and you gonna...
Stopping them haters like...
I'm... and I like this black, white... red
... and the blood we shared.
