its where i do my dirt
where the gangstas smoke water
wit drank stains on they shirt
we ride swangin

just to break boys off
from south park to the south west
and all the way to dat north
im talking tentwheel, and carverdale, and greenspoint

from denver harbour, to west airport
and all the way to channelview
we steady bangin on this screw
its chopping like kung fu
hit me on the 8-3-2
its paul wall wat it do
