Sometimes I think about dyin

Yeahhh-haaa

Unfortunately, I'm seein a lot of death in my life

Oahhhoooooh

I seen a lot of friends die

I seen a lot of family members die

If, I, should, diiiiie tonight

When I think about dyin, I think about

Won't it be, alllll, before

my time?

a sense of release

Just released from all the pressures

I know dyin, sugar yeah

and all the negativity

cause, I know you

I also think about, finally, gettin a chance to see

all the loves ones again

If, I, should, diiiiie tonight

that left before me

That'll be kinda fly

Won't, it be, alllll, before

my ti-me

Walk through the gates, see my grandmother

See BIG, see God, heh

I know dyin, sugar yeah

Shit is crazy

Because I know you, know

youuuu

I never been afraid to die

If I should, diiiiie tonight

But I know I don't wanna die

Not just yet anyway

Won't it be, alllll before,

my time?

Feel like I got a lot more livin to do

I know dyin, sugar yeahhhhaeahhh

Lot of unfinished business

Cause I know, you, ohhhhh

Knowhatl'msayin?

If I, should die, tonight

ba-by

We'll see

Won't it be far before my

time?

I know dyin

What does it all mean?

Sugar yeah

Sugar yeah

What does it all mean?

Yeahhahahhhahhhhhahhh

\*music fades\*

I don't wanna die
