Yeah, this right here goes out to everyone who's lost
someone that they
truly loved....
Check it out....

Seems like yesterday we used to rock the show
I laced the track, you locked the flow
So far from hangin' on the block for dough
Notorius they got to know that
Life ain't always what it seem to be
Words can't express what you mean to me
Even though you're gone we still a team
Through your family I'll fulfill your dreams
In the future can't wait to see
if you'll open up the gates for me
Reminisce sometime the night they took my friend
Try to black it out, but it plays again
When it's real feelings hard to conceal
Can't imagine all the pain I feel
Give anything to hear half your breath
I know you still livin' your life after death

CHORUS:

Every step I take
Every move I make
Every single day
Everytime I pray
I'll be missing you

Thinking of the day
When you went away
What a life to take
What a bond to break
I'll be missing you

(We miss you, Big....)

It's kinda hard wit you not around
Know you in Heaven smilin' down
Watching us while we pray for you
Everyday we pray for you

Till the day we meet again
In my heart is where I keep you friend
Memories give me the strength I need to proceed
Strength I need to believe
My thoughts, Big, I just can't define
Wish I could turn back the hands of time
Us and the six shop for new clothes and kicks
You and me takin' flics
Makin' hits, stages they receive you on
Still can't believe you're gone
Give anything to hear half your breath
I know you still livin' your life after death

CHORUS

Somebody tell me why...

One black morning
When this life is over
I know, I'll see your face

Every night I pray
Every step I take
Every move I make
Every single day
Every night I pray
Every step I take
Every move I make
Every single day
Every night I pray
Every step I take
Every move I make
Every single day
Every night I pray
Every step I take
Every move I make
Every single day

Chorus

Every night I pray
Every step I take
Every move I make
Every single day

Chorus

Every night I pray
Every step I take
Every move I make
Every single day

(We miss you
