Hurricane G]

Hey yo Puff, check this out pa

I'm tired of niggas hating on a mutha fucka

Let's take it to the next millennium on these bitches

You got to keep bubblin on em

Platinum doublin on em, fuck these niggas

Hey yo, I bumped into these cats tha otha day' they was like,

"Yeah, what up wit that nigga Puff he swear he nice"

I said yo, the brother dont swear he nice he knows he nice

You public enemy number one right now

But Fuck that dash shit spit that hydro-ghetto shit

[Puff Daddy]

Let's go

That's that shit right here, whom shall I fear

Throw your guns in the air

Socialize, get down, let your ssoouull lead the way

Cause i'm that enemy that you can't see

But you wanna be you ain't shit to me

Playa, It ain't hard for you to get to me

Playa, my real dogs they'll spit for me

So if you want whats mine, you gots to have the heart

I've seen em come and I've seen em part

If you ain't want beef then why did you start?

Front from the light catch shots after dark

Suffer, duck or you'll catch these

On the spot, red dots make em all believe

Ain't nobody kicking the rhymes like these

See I do the things that they can't achieve

So don't start bassin' n' I'll start pacing

Bets on that you'll be disgracing

More hotter than the sun

I'm living on the run

Because i'm public enemy number one

Chorus:

One,One,One,One,One

One,One,One,One,One

[Puff Daddy]

Let me ask you, what you got against me?

Is it my girl or is it the bentley?

Is it my house or maybe its all three

I just came up and you're all against me

Now ask yourself, why is he number one?

Now ask yourself, who's done what he's done?

Then ask yourself, you're fit for the long run?

You think its a game cause you fucked the wrong one

Always with God and I don't swing solo
Never back down when I gotta throw dolo
Wanna see me out, but I just won't go though
Pretty young things wanna have my photo
One in the room hangin' on the wall
In remembrance that I rocked 'em all
Got no time for those that think small
threw me in the club cause they can't ball
Hate shot callers
Hate them ballers
Back in control now I call orders
It's no fun fleeing under the gun
Cause they got me public enemy number one

Chorus

[Puff Daddy]

All you suckers, liars, court testifiers
Wanna infiltrate and break my empire
I spit lines, hit rhymes
Keep dimes sweating
Giving them the juice that they're not gettin'
A bona fide playa, now who got the flavor
A non stop, rhythm rock, poetry sayer
I'm the life saver, the New York mayor
Before you try me, you better say your prayers
My word to the wise is: "Do not cry"
Till ya know that i'm gone then say don't die

I take what I find, put a beat to they rhyme
Thought it was over but I crept from behind
Wanna try to stop me from speaking my mind
Almost 2000 and running out of time
Almost to the point when I wanna bust nines
A lot of strange faces, I can only trust mine
Soldiers in position all on the front line
Don't make a move till I give them the sign
Known as the poetical, lyrical, miracle son
Because i'm public enemy number one

Chorus

[Hurricane G]

Yeah yeah, that's right Puff
That's what I'm talkin about love
Sparklin and glistenin on these motherfuckers
These niggas is walkin around like little bitches
Talkin about what you got and what they ain't got
They got a little jealous and wanna bring you down
But fuck dat, they just mad
Cause you got all the ladies
And you pushin them bentleys, not mercedes, bentleys
You know? and thats just the way the story goes
And thats just the way the story goes
Fuck you niggas and hoes

[Puff Daddy]

You think i'ma come this far and let you niggas stop me
now?

Haha picture that....number one, number one, number
one

B-I-G forever... rock on
