Puffy]

I'm not wit none of that

Standin' around lookin' cool and shit

I want you motherfuckers to jump the fuck up

And have some motherfuckin' fun

You understand what it means to be black?

I have my man the Notorious B.I.G in the back

I go by the name of the Puff Daddy

But check this shit out

Four, five

As we procced to give you what you need

[Notorious B.I.G]

Sick of momma screamin' that "Get a job, nigga"

Pressed to the limit, gotta rob me a nigga

Simple and plain, my man scooped me in the hoop

Whispered in his ear, this is what we gotta do G

Got to bang a nigga and bang a nigga good

So I could cop a Benz and drive the fuck out the hood

Cause baby mama screamin', your daughter twelve months

Can't live life slingin' rocks and smokin' blunts

Hangin' with the nigga's don't pay the bills
And bein' broke at 30 give a nigga the chills
So what we gotta do is creep and see a sweet vic
Yo, you see that shit? (Hell yeah, I see that shit)
Columbian, Dominican, yeah whatever
Whoever he was, he had it tucked under the leather
Two keys, twenty G's, nigga please
Blew his brains out cause witnesses we don't need
1 - On the road to riches and diamond rings
Real niggaz do real things
Hanging wit the bitches is the song I sing
Real niggaz do real things
On the road to riches and diamond rings
Real niggaz do real things
Hanging wit the bitches is the song I sing
Real niggaz do real things
[Puff Daddy]
Yeah, yeah, yeah
I tote gats wit my nigga, clap wit my nigga
Break bread and then break backs wit my nigga
Jack wit my nigga, cock the latch wit my nigga
Now how you gon' act wit my nigga?
Just remember there's a gun to your dome
And I will lick shots and run through your home
Or better yet I put your son to the chrome
Turn the music up and unplug the phone

I will kill him, read my lips

You too, motherfucker if I don't see no bricks

See, I flips when I don't see no chips

Yeah, nigga, I know you in pain, I don't care nigga

I want the stash, keys, hash, weed, G's motherfucker,
freeze

Cock sucker, you better bring the things out

Before I blow your motherfucker frame out

Nigga what

Repeat 1

[Lil' Kim]

Real big nigga's over here talkin' shit

Yo fuck that, I'm gon' check these nigga's

Fuck that, fuck that

What you said? Speak up, I can't hear ya

Oh, thought you was talkin' to us, um pardon me, my
bad

I shoulda known ya'll ain't wanted with these three time
losers

The open surgeons heart removers

Niggaz think they gon' stop my ones

Put a contract out and stop ya'll lungs

We powerful, don't think that all we got is guns

We buy out everything you claim, including your name

Mama bitch squeeze the life out of ya'll nigga's

Screw barkin', I take bites out of ya'll nigga's

Crack open your safe then put a bomb to it

Fuck shootin' windows nigga, I jumps through it
With the all black hood, he beat a nigga 'till he hurl
Then pull the hoodie off so he can see it was a girl
When it comes to my nigga B.I.G
I wanna see all ya'll niggaz D.I.E
On the road to riches and diamond rings
Real bitches do real things
Hanging with the niggas is the song I sing
Real bitches do real things
On the road to riches and diamond rings
Real bitches do real things
Hanging with the niggas is the song I sing
Real bitches do real things
Repeat 1
