WARN
BE WARNED
BE WARNED

One day the Underground will be the only option!

War
Distraction
Comes to the Shores
Of America

One day the price you'll pay
The brutal price to pay
Will be the blood of your first born sons

NO!!

Then what will you do?
Will you remain
True to his name
Though the Anti-Christ reigns

And this Nation rolls on the Bones of believers

They say, "The Saints are DEAD!"
We keep on Truckin'
Though this Nation Rolls
KEEP ROLLIN'

They say, "The Saints are DEAD!"
We keep on Truckin'
Though this Nation Rolls
KEEP ROLLIN'
