[Ice-T]

Yo Rich man, these girls ready to get busy?

[Big Rich]

Ah man, you know they on deck

[Ice-T]

Yo, what's up with they men, though?

[Big Rich]

Come on, men squares, man

Can't no square keep no woman

[Ice-T]

Right

I guess they just wanna find out what it's like on the other side

Girls wanna keep it real

Gotta love em for it

I love a woman with courage

[Big Rich]

Yeah, there she go right there, man

[Ice-T]

Yeah, I'm break her off somethin proper

I'ma represent, check it out

[Ice-T]

Now although your friends warned you 'bout us westside macks

Girl, you was willin to take a chance and I respect you for that

And at last we're all alone, baby, just you and I, don't try to lie

I know what's on your mind, I'm lookin straight through your eyes

[Big Rich]

So let that hair down and let that body go free

And come close because tonight it belongs to me

No brother's doin it like this westside mack

Ride you like my Chevy, hit that ass front and back

Now tell me

[Big Rich]

Now how does it feel to make love to a gee?

Do you wanna go back to your man or, baby, stay here

with me?
Now how does it feel to make love to a gee?
Strictly on the Westside where I ride, now, baby, come
roll with me

[Big Rich]

Now two hours done passed but then it's only gettin
better

My body is gettin hotter while yours is gettin wetter
Wanna roll up in your river like a steamboat
Pretend you're takin a bath and I'm your piece of
chalice soap

[Ice-T]

Oh my girl, can you feel what I'm feelin now?
As you turn around I'm lookin at that brown
Sugar fat coated ass
I just can't let it pass
Gotta move on it fast
Now tell me, baby

[Big Rich]

Now how does it feel to make love to a gee?
Do you wanna go back to your man or, baby, stay here
with me?
Now how does it feel to make love to a gee?
Strictly on the Westside where I ride, now, baby, come
roll with me

[Ice-T]

Alright, check this out, girls
Me and my man Big Rich, we got an idea
Why don't we just use body language
Let our bodies do all the talking
And just kick back and enjoy the erotic conversation

[Big Rich]

Hello Sunshine, now you did quite fine
Shall we rewind, relive these good times?
I feel your body gettin hot again
Girl, don't you know I'm 'bout to dive on in?
(It's never gonna stop until I know it's truly over)
I got some more oil I wants to stick up in your motor
And kiss you on the grill, squeeze your headlights
Rub your bumper kitten, gettin nasty like a triple x-rated
flick

[Ice-T]

I know you're feelin what I'm feelin, sexual energy
Time to chill and pour another glass of Hennessy
I hit it again like a gangster should
And give you somethin to tell them girls up the hood
Now how does it feel?

[Big Rich]

Now how does it feel to make love to a gee?

Do you wanna go back to your man or, baby, stay here
with me?

How does it feel to make love to a gee?

Strictly on the Westside where I ride, now, baby, come
roll with me

[Ice-T]

Yeah, this is Ice-T and Big Rich signin off

And to all the curious ladies out there

Take your chance

I promise, you won't be sorry
