I need both your arms wrapped around my heart now
You catch me when I fall
In you I put all of my trust cause I am empty
Through faith I give you all

Chorus:

How did you know
That it would end up this way?
I need you close
Cause I can't see beyond today

Let this be
Let this be a melody
For broken dreams

I know that I said I wouldn't do this no more
But this show must go on and on and on
I heard that this life's too short to pick and choose one
But your love it goes on and on and on

The time has come so never look back

Chorus:

How did you know
That it would end up this way?
I need you close
Cause I can't see beyond today

Let this be
Let this be a melody
For broken dreams

Can't you see you are my desire
I need your love
My heart is on fire

Can't you see you are my desire
I need your love
My heart is on fire

Chorus:

How did you know
That it would end up this way?
I need you close
Cause I can't see beyond today

Let this be
Let this be a melody
For broken dreams

Can't you see you are my desire
I need your love
My heart is on fire
