"In Search Of Hope"

Once more
Heaping thousands upon
Thousands upon
Thousands are wrong
Last one
Screaming let me out
Screaming let me out
Screaming let me live

What can justice bring
A blanket of hope
The cure for suffering
Can this separate
Conclusions we've drawn
Nine seconds too late

Lasting to everlasting
Never to be found again
Solace welcoming
Welcoming

IN!

I've found
The one to believe
One to believe
One who deceives
They are all scattered about
Scattered all about
Scattered all about

Combine the simple things
My own power persuade
When the days were short
All we are is growing dim

Lasting to everlasting
Never to be found again
Solace welcoming
Welcoming

In search of hope!
In search of hope!
In search of hope!
In search of hope!

Lasting to everlasting
Never to be found again
Lasting to everlasting
Never to be found again
Solace welcoming
Welcoming

In search of hope!
In search of hope!
In search of hope!
In search of hope!
