I'm looking at her ass, which is so exquisite  
every time i come to get her, she on business  
twirl it, whirl it, she so vicious  
i was all on her, she was all on me  
I'm a think i licked her stomach in a a minute  
it something bout her in those jeans  
every time i see her, get a mission in between  
she so soft make me wanna sing  
i never met a girl that can make me scream  
take her to the bar , let her ball on me  
let the top down on the coup, feel free  
we pop tag anytime, jet lag, tell the girl you deserve it  
and it's all on me.  
don't worry bout what Others say  
i take you where you need to be.  
private planes,sip champagne  
a dress that's straight from BCBG
