I've been trying to find
My way back home
But I just can't find
What I'm looking for
I've spent so much time
Just trying to hide
So far behind
These walls I've built high
So which way is home?
I just don't know
Where I need to go tonight
Somehow I've lost
Everything
That means so much to me
So God will you show me
Which way is home
I know I've been lost
But not too far gone
If you open your arms
To you I will run
So which way is home?
I just don't know
Where I need to go tonight
Somehow I've lost
Everything
That means so much to me
So God will you show me
Which way is home
So will you show me where to go?
Cuz I can't do this on my own
Cuz I am way too scared
That I will all but fall apart
Will you just take my heavy heart
And make it light as air
So which way is home?
I think I know
Where I need to go tonight
Somehow I've lost
Everything
That means so much to me
God, I think I know
