Daivd Bowie--China Girl

I could escape this feeling
With my China Girl
I feel a wreck without my
Little China Girl
I hear her heart beating
Loud as thunder
Saw their stars crashing

I'm a mess without my
Little China Girl
Wake up mornings where's my
Little China Girl
I hear her heart's beating
Loud as thunder
Saw their stars crashing down

I feel a-tragic like I'm Marlon Brando
When I look at my china girl
I could pretend that nothing really meant too much
When I look at my china girl

I stumble into town just like a sacred cow
Visions of swastikas in my head
Plans for everyone
It's in the whites of my eyes

My little china girl
You shouldn't mess with me
I'll ruin everything you are
I'll give you television
I'll give you eyes of blue
I'll give you a man who want to rule the world

And when I get excited
My little china girl says
Oh baby just you shut your mouth
She says ... sh-sh-shhh
