He is a boy, he's very thin  
Until tomorrow  
Took heroin, don't like himself very much  
'Cause he has set to set to self-destruct

He is  
Set to self-destruct  
He is  
Set to self-destruct

He is  
Set to self-destruct  
He is  
Too good to be true

Destroy it  
Enjoy it  
Destroy it  
Enjoy it  
Destroy it  
Enjoy it

He is  
Too good to be true  
He is  
Too good to be true

He is  
Too good to be true  
He is  
Set to self-destruct

Destroy it  
Enjoy it  
Destroy it  
Enjoy it  
Destroy it  
Enjoy it

I could  
Hate you anytime  
I could

Hate you anytime

I could  
Hate you anytime  
I could  
Give you anything

Destroy it  
Enjoy it  
Destroy it  
Enjoy it  
Destroy it  
Enjoy it

I for  
Give you anything  
I for  
Give you anything

I for  
Give you anything  
But I could  
Hate you anytime

Destroy it  
Enjoy it  
Destroy it  
Enjoy it  
Destroy it  
Enjoy it

He is  
Set to self-destruct  
He is  
Set to self-destruct

He is  
Set to self-destruct  
Self-destruct  
Self-destruct
