Newtown where everybody goes around sniffing  
televisena  
Or taking footballina  
Newtown  
Newtown  
Newtown  
Newtown  
Newtown

Gimme another fix  
Gimme another fix  
If not I'll go sick  
If not I'll go sick  
I'll be sick

Morning papers will bring you something flash  
Make your bones shake and keep busy your mind  
Newtown  
Newtown  
Newtown  
Newtown  
Newtown  
Newtown

Gimme another fix  
I, I, I need another fix  
If not I'll go sick  
If not I'll go sick  
I'll be sick sick sick sick

Morning in the city, Mr. Simpson is a speedin' freak  
Taking huncholyna or sniffing phoncallina  
Newtown  
Newtown  
Newtown  
Newtown  
Newtown

Down town, drop down  
Stick around, feeling down  
Might be some coming out  
Football colors all around

Dropping PC late at night  
Waiting for a fight, fight

Newtown  
Newtown where everybody goes around sniffing  
televisena  
Or taking footballina  
Newtown  
Newtown  
Newtown  
Newtown  
Newtown  
Newtown

Gimme another fix  
I, I, I need another fix  
If not I'll go sick  
If not I'll go sick  
I'll be sick

Down town, drop down  
Stick around, feeling down  
Might be some coming out  
(Newtown)  
Football colors all around  
Dropping PC late at night  
Waiting for a fight, fight  
(Newtown)

Newtown  
Newtown  
Newtown
