Put the cheddar in the pocket  
Put the rest under the jacket  
Talk to the cashier, he won't suspect  
And if he does, and if he does

Do a runner  
Do a runner  
Do a runner  
Do a runner

Ten quid for the lot  
We pay fuck all  
Babylonian won't lose much  
And we'll have dinner tonight

Do a runner  
Do a runner  
Do a runner  
Do a runner

Camera's trying to watch us  
Mirrors and TV  
But they're not gonna catch us  
'Cause we're gonna gonna gonna run run run

Do a runner  
Do a runner  
Do a runner  
Do a runner  
Run

Ten quid for the lot  
We pay fuck all  
Babylonian won't lose much  
And we'll have dinner tonight

Do a runner  
Run  
I've pissed in my knickers
