I just wanna make you
Feel me like I feel you
I just wanna be your
Chiki chiki?

I just wanna make you
Love me like I love you
Cause I wanna be your
Chiki chiki

Don't you see that
Your my whole life
Why you waitin' on him
Drivin' me mad
Why do I keep
Runnin' to ya?
I don't know, I don't know

I'm Sayin' goodbye to my lover
I can't fight for this love anymore
I'm Sayin' goodbye to my lover
Baby tell me what I'm waiting for

I'm Sayin' goodbye to my lover
I can't fight for this love anymore
I'm Sayin' goodbye to my lover
Baby tell me what I'm waiting for

I just wanna make you
Feel me like I feel you
I want you to be my
Chiki Chiki

I just wanna make you
Love me like I love you
I want you to be my

Chiki Chiki

Can't you see that
She's not for ya?
Why you wastin' your time
I'm here for ya

Why do I keep
Runnin' to ya?

I don't know, I don't know I'm Sayin' goodbye to my lover

I can't fight for this love anymore
I'm Sayin' goodbye to my lover
Baby tell me what I'm waiting for

I'm Sayin' goodbye to my lover
I can't fight for this love anymore
I'm Sayin' goodbye to my lover
Baby tell me what I'm waiting for

I'm Sayin' goodbye to my lover
I'm Sayin' goodbye to my lover

I'm Sayin' goodbye to my lover
I can't fight for this love anymore
I'm Sayin' goodbye to my lover
Baby tell me what I'm waiting for

I'm Sayin' goodbye to my lover
I can't fight for this love anymore
I'm Sayin' goodbye to my lover
Baby tell me what I'm waiting for
