Dear girl, it's been so long
Since I have seen you last,
And I know that all of that
Ridiculous shit's in the past,
But when I hear your voice, I
Still don't know what to do

And when you told me
You'd be back in town,
Well I know I said that
I'd be coming 'round,
But I've got homes to stay, and
Video games to play.

And I'm willing to bet
That we've still got nothing in common.
I just thought you were really hot.
But now, I think I,

Dear girl it's been so long
Since I have since you last,
And I hope that through your system
All the extacy has passed.
Sorry that I missed you and your tattoo on TV.
Thanks for never being there,
Goodbye sincerely me.
