[I'm hanging out]
[I'm hanging out]
Ana Lucia
You're the belle of the ball
You really don't know me that much and
I really don't know you at all

You know how to hurt a guy
When I'm around you start to cry
I would go
If you say so
But I'm hanging out
[I'm hanging out]
[I'm hanging out]

I have tried to pick you up
[I'm hanging out]
But they always seem to interrupt
[I'm hanging out]
It's like they know
That the answer's no
But I'm hanging out
[I'm hanging out]
[I'm hanging out]

Ana Lucia
Please don't send me away
I really am trying my hardest
And you've so little to say
I have even tried in vain
[I'm hanging out]
To let you know
I've been to the south of Spain
[I'm hanging out]

I should think that you would recognize
You should pick on someone your own size

Ana Lucia
You're the belle of the ball
[I'm hanging out]
You really don't know me that much and

I really don't know
You at all
[I'm hanging out]
[I'm hanging out]
[I'm hanging out]
[I'm hanging out]
Oh, oh
[Hanging out]
Oh, oh
[Hanging out]
Oh, oh
[Hanging out]
Oh, oh
[Hanging out]
Oh, oh
[I'm hanging out]
