Do you remember  
When October disappeared in a flash  
And by December  
Reluctantly reliving the past  
Well I had to go  
You see the signs said so  
A well known title comes to mind  
Did you ever have to make up your mind

Can't you figure it out, yeah  
Figure it out, yeah

So orchestrated  
Divinely put together far in advance  
You're underrated  
Appearance at the Halloween dance  
So we leave at last  
Before the moment passed  
Staying up till half past two  
Writing this song for you

Can't you figure it out, yeah  
Figure it out, yeah  
Figure it out, yeah  
Figure it out

An invitation like a spell's been cast  
Now I'm under and I'm tied to the mast  
Where I'll be  
Adrift at half past three  
Dreaming up a melody

Can't you figure it out, yeah  
Figure it out, yeah  
Figure it out, yeah  
[So orchestrated]  
Figured it out, yeah  
[You're underrated]  
Figure it out, yeah  
[So orchestrated]  
Figure it out, yeah  
[You're underrated]
