Do your time,
To pay the price
for every thing you've done wrong baby.
In your life, you get so High,
there's nowhere left to go but down.
Don't believe,
That noone cares,
'Cause we're here waiting for you, baby.
Do your time,
And then come home for good.
So don't hide yourself away.
let it shine...let it shine
don't hide yourself away.
let it shine...let it shine
If you ever feel in doubt,
You have a place in my heart, baby.
If I ever feel left out,
I know I've got a place in your's
Don't believe, that I wouldn't dare,
To go and take you right back, Baby.
Do your time,
And then come home for good.
So don't hide yourself away.
let it shine...let it shine
don't hide yourself away.
let it shine...let it shine
don't hide yourself away.
let it shine...let it shine
don't hide yourself away.
Do your time,
To pay the price
for every thing you've done wrong baby.
In your life, you get so High,
there's nowhere left to go but down.
Don't believe,
That noone cares,
'Cause we're here waiting for you, baby.
Do your time,
And then come home for good.
Do your time,
And then come home for good.
Do your time,

And then come home for good.
