You gotta gimme that gimme that now
Oh I'm gonna show you how
I don't agree to that greed of that kind
Oh I thought you wouldn't mind
Oh you've gotta gimme that yeah
Oh you've gotta gimme that
Still I can't decide

(You know I can't decide)

Because my hands are tied
(You know know my hands are tied)

I wouldn't wait and see
(You shouldn't wait and see)

If it were up to me
(If it were up to me)
You're falling into that into that trap
Oh you're really such a sap
Better get used to it used to it 'cause
Now is not the way it was
Oh better get used to it yeah

Oh better get used to it
Still I can't decide

(You know I can't decide)

Because my hands are tied

(You know know my hands are tied)

I wouldn't wait and see

(You shouldn't wait and see)

If it were up to me
(If it were up to me)
You know I can't decide

You know know my hands are tied

You shouldn't wait and see
If it were up to me
So take your nickel back nickel back I'm
Oh gunning for a dime

You got the gist of it gist of it now
Oh you're gonna feel my power
