Oh, I try and I try
But I can't say goodbye

Feel so bad, baby, oh, it hurts me
When I think of how you love and desert me
I'm the broken-hearted soul you play with
Baby, baby
(Baby, baby)

You got me going, I need you, baby
I can't let go and I want you, baby
I gotta have you know
I can't let go

Though I'm just one of your lovers
And I know that there are so many others
You do something strange to me
Baby, baby
(Baby, baby)

You got me going, I need you, baby
I can't let go and I want you, baby
I gotta have you know
I can't let go

I try and I try
But I can't say goodbye
I know that it's wrong
And I should be so strong
But the thought of you gone
Makes me want to hold on

You got me going, I need you, baby
I can't let go and I want you, baby
I gotta have you know
I can't let go

You got me going, I need you, baby
I can't let go and I want you, baby
I gotta have you know
I can't let go

I can't let go
I can't let go
I can't let go
