Everything you do I want to do too  
Every where you go I follow you  
When I'm on my own I wonder where you are  
People tell me I take it too far

Ill Placed trust, promises lust  
Ill places trust, ill placed trust  
Ill placed trust, buried in dust  
Ill placed trust, ill places trust  
Yeah

Can you feel it all around you?  
Paranoia that surrounds you?

Ill Placed trust, promises lust  
Ill places trust, ill placed trust  
Ill placed trust, buried in dust  
Ill placed trust, ill places trust  
Yeah

When I close my eyes you're all I see  
Burned in my mind, walking away from me  
Can you feel it, all around you?  
The paranoia that's been brought on by the sad truth.

Ill Placed trust, promises lust  
Ill places trust, ill placed trust  
Ill placed trust, buried in dust  
Ill placed trust, ill places trust  
Yeah

Can you feel it?  
I can feel it  
Ill placed trust

Can you feel it?  
I can feel it  
Ill placed trust

Can you feel it?  
I can feel it

Ill placed trust
