(Jones-Wilson/Canned Heat - Boogie With Canned Heat, 1968)

(Gene & Sadier/Stereolab - Mars Audiac Quintet, 1994)

Well, I'm so tired of cryin'  
But I'm out on the road again  
(I'm on the road again)  
Well, I'm so tired of cryin'  
But I'm out on the road again  
(I'm on the road again)  
I ain't got no woman  
Just to call my special friend

Well, the first time I travelled out  
In the rain and snow  
(In the rain and snow)  
Well, the first time I travelled out  
In the rain and snow  
(In the rain and snow)  
I didn't have no payroll  
Not even no place to go

Well, my dear mother left me  
When I was quite young  
(When I was quite young)  
Well, my dear mother left me  
When I was quite young  
(When I was quite young)  
She said, "Lord have mercy on my wicked son."

Take a hint from me, mama,  
Please don't you cry no more  
(Don't you cry no more)  
Take a hint from me, mama,  
Please don't you cry no more  
(Don't you cry no more)  
'Cause it's soon one morning  
Down the road I'm going  
-- Transona Five --

We can't avoid dying  
Bursting through our barriers

They are one of the same  
They are one of the same

Two inevitables  
Two inevitables  
We can't avoid dying  
Bursting through our barriers  
They are one of the same  
They are one of the same

Two inevitables  
Two inevitables  
We can't avoid dying  
Bursting through our barriers  
They are one of the same  
They are one of the same

Two inevitables  
Two inevitables  
We can't avoid dying  
Bursting through our barriers  
They are one of the same  
They are one of the same

Two inevitables  
Two inevitables  
We can't avoid dying...
