People people
This is a poll
Are you one of the ones who went and
Gave up on rock and roll

People people
Do you know what I mean?
If you think you do then
Call the number on the screen now

Pick it up - Pick it up and dial it

People people
Pick up the phone
Theres a lot of work to do and
I cant do it alone

People people
I'm losing steam
So if no one answers when you call
Leave it on the machine but

Pick it up - Pick it up and dial it

People people
Where did you go?
You've been gone so long and
There's no one here that I know

People people
It's up to you
They say rock and roll is dead again
You tell me if it's true

Pick it up - Pick it up and dial it
