"READY FOR YOU"

Never needed nobody
Never needed a girl
I've been breakin' my own heart
I've been rockin' my world
Jealous of myself

Up until I finally gotta
Load of you
Now you're the one I want
So you gotta tell me

What I gotta do
(So that I'm) Ready
I'm ready for you
I'm ready

I'm ready for you

My life is so lonesome
Now I know you exist
We could talk on the phone some
But I'd rather we kissed
Always lookin' in
But you showed me
How I could be lookin' out
I suppose you
For somebody else
Showed me what it's all about
(I think I'm) Ready
I'm ready for you

I'm ready

I'm ready for you
I'm beggin' my pardon

I guess I never knew
I've been lookin' for something
Something tells me it's you
(I think I'm) Ready

I'm ready for you

I'm ready

I'm ready for you
(I think I'm) Ready

I'm ready for you

I'm ready

I'm ready for you

(I think I'm) Ready
