I'm feelin' that I've been torn  
what can I do?  
I say what you want me to say  
but now I've got to say what's true  
you give me a word in edge-wise  
but sometimes I need more  
I'm feelin' that I've been freed  
but I don't know what from  
I'm certain of what I was  
but I don't know what I've become  
you give me a word in edge-wise  
but sometimes I need more  
I'm feelin' that I've been torn  
what can I do?  
I say what you want me to say  
but now I've got to say what's true  
you give me a word in edge-wise  
but sometimes I need more
