"Dunk You In The River"

So it seems I pissed you off
And can throw a fit, fuss, holler and spit
Cuss and bitch and scoff

And true, if I were in your shoes,
I'd do the same, my friend,
Then I'd dunk you in the river once again.

So you talked to all my friends
And you fed them lines, lies and alibis
Tried to do me in

They're all braced for a knock-down bout,
but I don't care who wins
I'll just dunk you in the river once again.

It's a long road outa here
And paved, it seems, with misplaced dreams
Heartache, doubt and fear

But I've finally found a drink
to wash away all the world's sins
And I'll dunk you in the river once again.

'Cause if we can't fight, then be all right,
we're done for in the end
I'll just dunk you in the river, once again, oh my friend
I'll just dunk you in the river once again
