Woah Woah Woah Woah Woah Woah Woah Woah
Woah Woah Woah Woah Woah Woah Woah Woah

The more I change. The less I'm scared to change,
But I, can't come to see what is needed to save me
From what I've seen. Choices I've made quick to break me
From my path in just one breath. At first we didn't
understand
Why the rope was in my hand, then I looked above the
door.
Saw her hanging from the bedroom door. And what did
I...

Woah Woah, I escaped from what I done.
Woah Woah, I escaped from who I was.
Woah Woah, I escaped from everything...and end this
thing.

Escape from what I have done and never...forget.
Forget...

Woah Woah...I escaped from what I done.
Woah Woah, I escaped from who I was.
Woah Woah, I escaped from everything...and end this
thing.
I'll find my way.
I'll find my way.

Woah Woah...
