On the button of ignition

And the mission is to fix the

Tranmission in the [?]

You now I'm on a roll

The Go is my home but

My man is from Michigan

And when I'm fishing for

A line of a brain [?]

Know I'm the man for the mission

Like James Bond

Eating Yang tahng soup

On top of mt. Fuji

Do who be who

Got this track sewn

Like a coogi suit

Just like a poodle do

[Chuck:]

I'm riding through Bel-Air
Like Uncle Phil

Philly eagle willing cunningham
Jersey number 12
And ain't no way in hell

I put that water in that bell
They called that bottled water
[?]
Freshest letucce in the garden
Not saying that the carrots ain't fresh tho
Say habale inge chucky del fresco
Yes no maybe so
Pay me dough
Cause I get it moving like big as sail
On a baby boat
So it ain't no way
That I can't be dope
Olympic sevens with that
[?]
Or the chalk line raiders jacket
I'm like neon de'on
Cause you all know bo jacksons
And I know that
You too should know that
We don't need practice
All net from where a throw at
