Well, I think that I'm through with the girl I thought I  
knew

But I guess I didn't know her well at all  
'Cause I'm getting sick of Janie's latest kick  
She's headed for her own decline and fall

Janie took a razor blade and cut off all her hair  
Had swastikas and iron crosses tattooed everywhere  
And she can't concentrate on anything but hate  
And she's out of control  
I used to think I loved that girl but now I just don't know  
'Cause she's a nazi, nazi  
(nazi girl)  
Janie is a nazi, nazi  
(nazi girl)  
Janie is a nazi, nazi  
(nazi girl)  
And I don't think I can take it anymore

Well, she still looks cute when she wears her leather  
boots  
But now she wants to put them through your skull  
And I miss the way things were  
'Cause I ain't bangin' her  
I'm just bangin' my head against the wall

Janie took a razor blade and cut off all her hair  
Had swastikas and iron crosses tattooed everywhere  
And she can't concentrate on anything but hate  
And she's out of control  
I used to think I loved that girl but now I just don't know  
'Cause she's a nazi, nazi  
(nazi girl)  
Janie is a nazi, nazi  
(nazi girl)  
Janie is a nazi, nazi  
(nazi girl)  
And I don't think I can take it anymore
