All I want is a Meyer girl to smother me with love  
dressed in black. She could break my back  
Thats all Im dreaming of  
Theyre beautiful,bountiful, tough as nails and  
cruel,ohhh  
all I need is a Meyer girl and my hands would be full

All I want is a Meyer girl to plaster upon my walls  
turn me on,far beyond  
The Valley of the Dolls  
The Carrie nation's domination; Kelly,Casey,Pet.  
All I need is a Meyer girl, the best one I can get

All I want is a Meyer girl to blacken both my eyes  
dripping wet, in a red Corvette  
to run down all those other guys  
Theyre wonderful,two hands full,  
who could ask for more,ohhh  
All I need is a Meyer girl  
But Meyer's got em all
