I don't believe in Rambo or Van Damme or Seagal  
But I believe in Buford P.; I believe in "Walking Tall"  
What ever happened to the Ambushers and the  
Wrecking Crew?  
Where is the Mean Machine, Bruce Lee, and David  
Carradine?  
I know I've said it all before, but I want more  
The Mighty Heroes

Do you believe in Freddy Krueger 'cause he takes so  
many lives?  
Well, I believe in showmanship; I believe in Doctor  
Phibes  
Why do you waste your time on "Halloween Part XXIX"?  
And what more could you want than "Planet Earth" and  
Dylan Hunt?  
I know I've said it all before, but I want more  
The Mighty Heroes

Though I walk through the Valley of Death, I fear no evil  
For I believe in Billy Jack; I believe in Evel Knievel  
Don't believe in Rambo or Van Damme or Seagal  
But I believe in Jonathan E.; I believe in "Rollerball"  
I know I've said it all before, but I want more  
The Mighty Heroes

Take back your Sly Stallones, and I'll take Cleopatra  
Jones  
I found the world ain't how it looks, and I learned it all  
from comic books  
I know I've said it all before, but I want more  
The Mighty Heroes
