No sympathy for fools
My star is black and burned
I turn towards the light
I suck your souls into my might

We are star children
Coming out of nowhere and to nowhere return
Star children
A hundred million souls sucked out in one breath

I shiver at the threshold of your waking hour
The knowledge that you seek is my source of power

I live apart from you
But I know the things you do

Coming out of nowhere and to nowhere return
Star children
A hundred million souls sucked out in one breath

So come to me, come to me

We are star children
Coming out of nowhere and to nowhere return
Star children
A hundred million souls sucked out in one breath
Star children
I'm the ruler of existence in your space and time
Star children
To penetrate your future is my only crime
