Where am I
Nobody speaks to me
The trees all get
A tent all side
As I wonder by

When are you
Why don't you speak to me
You gonna leave me
All alone
With my misery

Don't say you gonna leave me darling
Don't say with gonna apart
Don't say you gonna leave me darling
Les veco prend a stars
I wish you where you hurt me darling
I wish with all my heart
I wish you where you hurt me darling
He just as me apart

Well I'll me
Why happened too alone
Whish you tell me
What to do
Before a pray each my hurting too

Don't say you gonna leave me darling
Don't say with gonna apart
Don't say you gonna leave me darling
Les veco prend a stars
I wish you where you hurt me darling
I wish with all my heart
