Havent You Heard It's Getting That Time
So Go Spread The Word And Get Practising Your
Rhymes
The Foot And The Bear And Signature Moves
A Word In Your Ear
And Look Who's Doing Stuff
We Love The Way You Move
I Know We've Been Gone And We're Never Around
But We're Coming Home And We've Missed Getting
Down
You'll Always Remain The Beautiful Boys
So Don't Ever Change And Just Go Get The Girls
And It's All A Request Just To Carry It On
A Force Of A Habit To Drag Us Along
We Gave You Excuses We Gave You A Song
You Carried It On
We Love The Way You Move
