Broken Hearts all over this land,  
Let me fix your heart, I know that I can,  
I've had a lot of experience you see,  
Since my baby went away from me...

Hearts... Hearts  
I know it hurts you more than you can tell  
Whoa, Whoa, Whoa

Not much love in this world that's true,  
Not much love for me & you,  
Come to me people I'm your man,  
Fixin' broken Hearts all over this land.

Hearts... Hearts  
I know it hurts you more than you can tell  
Whoa, Whoa, Whoa
