Baxtim eding, ey, yor, ketding mendan yiroqlab,
Ortginangdan qarab qoldim yurakni dog'lab.
Pinhon tutdim dilda ishqing mulkin ardoqlab,
Or qo'ymadi, borolmadim seni so'roqlab.

Eyâ€
Sen bilmading,
Sen unutding,
Sen qaytmadingâ€

Yuragimni tirnab yig'lar yetim muhabbat,
Yelday o'tib ketaverdi yillar beshafqat,
Ko'ngil seni qo'msaganda qo'ymadi uyat,
O'rtamizda umr tog'i rostlayverdi qad.

Eyâ€
Sen bilmading,
Sen unutding,
Sen qaytmadingâ€

O'tgan hayotimni eslab, bag'rim tig'layman,
Senga emas, yo'qotgan baxtimga yig'layman,
Seni emas, men o'zimni o'zim qarg'ayman,
Ko'nglim sendadur, o'zgani qandoq sevay man?
Ko'nglim sendadur, o'zgani qandoq sevay man?

Eyâ€
Sen bilmading,
Sen unutding,
Sen qaytmadingâ€ (2x)
