As you awake
You know whats at stake
You're cursed by the land
On which you be stand
The further you walk
Your mind starts to talk
She say goodbye
Ask yourself why
Open your eyes
Fear's on the run
Here's your disguise
Follow the sun
Open your eyes
Fear's on the run
Here's your disguise
Follow the sun
Oh we live to die
Ask ourselves why
Or could they just lie
Or just deny
It's marbled by fear
it's creeps oh so near
Open your eyes
Fear's on the run
Here's your disguise
Follow the sun
Open your eyes
Fear's on the run
Here's your disguise
Follow the sun
Open your eyes
Fear's on the run
Here's your disguise
Follow the sun
Open your eyes
Fear's on the run
Here's your disguise
Follow the
Follow the
Follow the
Follow the

Follow the
Follow the sun
