I can see through you  
I can see through you  
I can see through you  
I can see through, I can see through

I forgot my name, I forgot my name  
On memory lane I forgot my name  
I forgot my name, I forgot my name  
This is not a game, when I forgot my name

I can see through you  
I can see through you  
I can see through you  
I can see through, I can see through

I forgot my name, I forgot my name  
Isn't that a shame, but I forgot my name  
I forgot my name, I forgot my name  
On memory lane I forgot my name

I can see through you  
I can see through you  
I can see through you  
I can see through, I can see through

(Microwaves are just lightwaves, but with the frequency  
of the order of only 10,000,000,000  
waves per second...as a science!)

I forgot my name, I forgot my name  
I forgot my name, I forgot my name  
I forgot my name, I forgot my name  
I forgot my name, I forgot my name  
I forgot my name, I forgot my name  
I forgot my name, I forgot my name...

(Can I change that order of...err...pastrami bread to rye  
bread...  
And I just gotta get a side order of...er..pastrami  
mustard, please mate.)
