Zoom zoom goes the monkey to the moon  
Zoom zoom goes the monkey to the moon  
High high goes the lion in the sky  
Zoom zoom goes a monkey to the moon

Watch that ape man climb  
Sure has a really good time  
Too proud of his primate soul  
And the powers that he can't control

Never worked in a factory  
Happy swinging from tree to tree  
And then

Zoom zoom went the monkey to the moon  
Zoom zoom went the monkey to the moon  
High high goes the lion in the sky  
Zoom zoom goes the monkey to the moon

The king of all the cows  
Is honest as the day is long  
But the reason won't seem so clear  
When you're watching him disappear

Never worked in a factory  
Happy swinging from tree to tree  
And then zoom zoom

Never worked in a factory  
Happy swinging from tree to tree  
And then zoom zoom

Zoom zoom  
Zoom zoom  
Save me a place in outer space  
Won't you save me a place in outer space  
Save me a place in outer space  
Won't you save a place in outer space  
Save me a place in outer space  
Won't you save a place in outer space
