I said roll up, buck up, come and see
If your luck's up, pay the fee
Guaranteed win, no ifs or buts
Ten percent's my only cut
Be sure to ask around, be sure!
The travelling circus is in town!

Roll on up

I said roll up, buck up, come and see
If your luck's up, pay the fee
Guaranteed win, no ifs or buts
Ten percent's my only cut

Be sure to ask around, be sure!
The travelling circus is in town!

What shall we do with the foolish people?
Hang them from the churches steeple!
What shall we do with the foolish people?
Hang them from the churches steeple!
What shall we do with the foolish people?
Hang them from the churches steeple!

Be sure to ask around, be sure!
The travelling circus is in town!
