It's six in the morning
And theres noone else around
The mist has fallen
As i look out on the town

It's playing on my mind
Wasting all my time, away

It's too close for tears
And it too hard to forget
It's too close for tears
I think i thought i said

It's playing on my mind
Wasting all my time, away
Who's gonna find me?
Tell me where i can go?
Who's gonna find me, searching, alone.

The face in the mirror
It's a face ive never met
Until i forgive her ill remember to forget

It's playing on my mind
Wasting all my time, away
Who's Gonna Find Me
Who's gonna find me?
Tell me where i can go?
Who's gonna find me, searching, alone.

And the hours, they build
From underneath the spell, once again

It's 6 in the evening
And im sweeping up the day
The people beneath them
But i am here to stay

It's playing on my mind
Wasting all my time, away
Whos gonna find me?

Tell me where i can go?
Who's gonna find me, searching, alone.
